Information

## Current Vacancy

## Project Engineer - Control & Instrumentation Oil & Gas

### Who we are

BPA, owned by BP and Shell, is the UK's leading provider of engineering and operational services to clients in the onshore oil and gas pipeline and terminal sector.

### Selection process

Our recruitment and selection processes are designed to ensure fairness and consistency when selecting the right person for the job.

We use competency based interviews and technical assessments to determine what you understand about the role and what you can bring to BPA.

### BPA Rewards and Benefits

Competitive pay  
25 days holiday  
Personal Pension Plan  
Bonus scheme  
Life assurance  
Childcare vouchers  
Excellent opportunities for training and development

### How to apply

If you are interested in any of BPA's vacancies, please email your CV, stating your salary expectations to [hr@bpa.co.uk](mailto:hr@bpa.co.uk)

It is our aim to acknowledge your applications within 48 hours of receipt and we will contact you again should your application be shortlisted for an interview.

### Location: Hemel Hempstead

BPA currently seek to recruit a C&I Project Engineer to undertake projects, studies and engineering work on oil and gas pipelines and associated facilities in the UK and overseas.

### Duties will include:

Providing project control from initial approval through to commissioning and handover.

Preparing project plans and programmes.

Providing engineering designs in accordance with relevant company, client, national and international standards.

Preparing contract documentation for procurement services and materials.

Evaluating tenders and providing recommendations for contract award.

Maintaining good client relationships to help secure continuing business.

Preparing estimates and technical input for proposals to prospective clients.

To fulfil this role we are looking for candidates that are degree qualified (first or second class) or HND / HNC qualified in C&I engineering.

Candidates must have good communication and written skills, be computer literate in office software applications and have a valid full UK driving license.

Please note that a Criminal Records Check will be also be required for these roles.

Closing Date: 10th December 2018
